

## **1,000% Return on Investment Guarantee**

If you do not sell enough work, attributable to the **upXel Pool Selling System**, to increase your gross profit, in the first year following the program, by at least \$60,000, I will refund your entire tuition. To qualify for this guarantee, you must:

Be acting in good faith with the continuing goal of selling and building as many pool related projects as possible.

Have built at least \$750,000.00 in pool related projects in the previous year.

Have the capacity to build at least \$1,000,000.00 in pools a year.

Work full-time as a pool builder for the entire year with no second jobs or businesses.

Have your own web site and URL to host our lead forms.

Follow the training and use the system as taught.

Run all leads received in your stated market area and make presentations wherever possible.

Provide me with regular feedback by accurately updating the Performance Tracking Spreadsheet provided, every month.

Communicate honestly and openly about your status and follow through on agreements to implement changes.

Violation of any of the above terms constitutes cause to void the guarantee.
